

APPEAL NO. 041144
FILED JUNE 21, 2004

This appeal arises pursuant to the Texas Workers' Compensation Act, TEX. LAB. CODE ANN. § 401.001 *et seq.* (1989 Act). A contested case hearing was held on April 22, 2004. The hearing officer resolved the disputed issues by deciding that the respondent (claimant) sustained a compensable injury on _____, and had disability from September 2, 2003, and continuing through the date of the hearing. The appellant (carrier) appealed, disputing the determinations on sufficiency of the evidence grounds. The claimant responded, urging affirmance.

DECISION

Affirmed.

The claimant had the burden to prove that he sustained a compensable injury as defined by Section 401.011(10) and that he had disability as defined by Section 401.011(16). Conflicting evidence was presented on the disputed issues. The hearing officer is the sole judge of the weight and credibility of the evidence. Section 410.165(a). As the finder of fact, the hearing officer resolves the conflicts in the evidence and determines what facts have been established. Although there is conflicting evidence, we conclude that the hearing officer's decision is supported by the claimant's testimony and by the medical records in evidence. The hearing officer's decision is supported by sufficient evidence and is not so against the great weight and preponderance of the evidence as to be clearly wrong and unjust. Cain v. Bain, 709 S.W.2d 175 (Tex. 1986).

We affirm the decision and order of the hearing officer.

The true corporate name of the insurance carrier is **TEXAS MUTUAL INSURANCE COMPANY** and the name and address of its registered agent for service of process is
